# Meet our tubes

At the dawn of a new normal, we recognise that sanitising our hands as we enter a place is more than a precaution. It is the mark of civilized behavior.

**So is our hand sanitisers!**

Our tubes speak of elegance, reliability, convenience and style. What is beyond words is their looks and aroma.

# Make them your own

Turn our Viraltia tubes into your brand advocates. Let us use your branding visual system to create a remarkable sign of brand strength and superiority.

## Leave nothing to chance!

Branded or not, you may choose from our variety of designs and see them fit perfectly in your office building, beauty parlour, fashion outlet, clinic or gym!

It is not an obligation any more.

It is a smart piece of brand communication!
